STATINT MEMORANDUM FOR: [REDACTED]

Chief, Admin Group, O/Comptroller

FROM:

Don I. Wortman  
Deputy Director for Administration

Dave:

1. Upon my departure from CIA, I wanted to record the high esteem in which I hold you. As a person who considers himself a product of the government budget profession, it is rewarding to see people in it as outstanding as yourself. I have enjoyed working with you. I respect the intellect and integrity that you bring to your job and the mature manner in which you handle your relationships with me and my staff.

2. Your approach to the DDA is both incisive and supportive. The alternatives you have presented to me have always been carefully considered and in the Agency's best interests. In short, you are superb in what you do and a great asset to us all. I wish you the best, it's been a privilege.
